Summary

Authorized Gaming Operators and Sports Wagering Services Providers may only offer sports wagers that are authorized by law, Commission rule, Commission approval, approved internal controls, and this catalog. Approval of a league or event does not authorize any wager type that is prohibited by law, rule, Commission order, or a restriction stated in this catalog.

Title 296 Event Categories

Title 296, 13.003.01 authorizes the Commission to permit sports wagering on the following event categories:

- Professional Sporting
- Collegiate Sporting Event
- International Sporting Event
- Professional Motor Race Event
- Professional Sports Draft
- Individual Sports Award
- Electronic Sports
- Simulated Game
- Other Commission-Approved Sporting Event

Authorized Wager Types

Title 296, 13.003.02 authorizes the Commission to permit the following wager types on authorized event categories:

- Exchange wagering
- In-game wagers
- Parlay wagers
- Proposition wagers
- Straight wagers
- Other types of wagers approved by the Commission

Unless otherwise specified, these wager markets are approved for the approved event categories listed in this document.

General Restrictions and Standards

- Event categories, events, and wager types not included on the Authorized Sports Wagering Menu require Commission approval before being offered.

- The Commission may grant, deny, limit, restrict, condition, revoke, suspend, or modify approval of any event category, event, or wager type for any cause the Commission considers reasonable.
- The Commission may prohibit the acceptance of wagers, order cancellation of wagers, and require refunds where wagering would be contrary to the public policies of the state.
- Operators and Sports Wagering Services Providers may not accept wagers on prohibited event categories, prohibited events, or prohibited wager types, including but not limited to:
- Instate collegiate sporting events in which an instate collegiate or university team is a participant.
- Individual athlete performance or nonperformance wagers involving a collegiate sporting event in which a Nebraska collegiate team is participating.
- In-game wagers on a collegiate sporting event in which a Nebraska collegiate team is participating.
- Individual athlete performance or nonperformance wagers involving an athlete under 18 years of age participating in a professional or international sporting event. This includes individual head-to-head events or markets where the wager is determined by the performance or nonperformance of the under-18 athlete.
- Sporting events where the majority of athletes are under 18 years of age.
- Athlete injuries.
- Outcomes that have already been determined and are publicly known.
- Minor league sporting events.
- High school sporting events or events below the high school level, regardless of the age of any participant.
- Parimutuel wagers, except as otherwise authorized under applicable law.
- Fantasy sports contests.
- Any sporting event, event category, or wager type excluded by the Commission, not authorized by law, or not authorized by Commission rule.

Event and Wager Integrity Standards

- The event can be effectively supervised by a sports governing body or other oversight body.
- Integrity safeguards are in place.
- The outcome can be documented and verified.
- The outcome can be generated by a reliable and independent process.
- The outcome is not affected by any wager placed.
- The event and wager type are conducted in conformity with all applicable laws.
